Information Disclosure Statement

1. The information disclosure statement (IDS) submitted on 1/29/2002 was filed before the mailing date of the first office action on 8/23/2004. The submission is in compliance with the provisions of 37 CFR 1.97. Accordingly, the information disclosure statement is being considered by the examiner.

a. Examiner erroneously forgot to sign all listed documents on the IDS submitted on 1/29/2002. Consequently, a Request for Certificate of Correction was submitted on 11/04/2005 to include the omitted documents from the IDS. The IDS has been re-submitted with the appropriate document initialed, therefore there is no need for the Request for Certificate of Correction due to an over-site by the examiner. Inherently, the Request for Certificate of Correction is approved.
